ING .-- If the man deserves well of his country that makes two blades of grass

grow where only one grew before, surely he who produces a glorious crop of hair on a comparatively barren scalp deserves the hearty thanks of the obliged party.

All honor, therefore, to Professor E. T

Lyon, for unquestionably, his renowned Kathairon accomplishet this object. Gen-tlemen whose whiskers are shy of making

their appearance in force, or the fibers of whose mustaches disclose those "magnifi-cent distances" for which Washington

City was once so famous, will find this

Hair Persuader the most wonderful en-

courager of fibrous development that has yet been invented. Both sexes are ad-vised to use it, as, by all odds, it is the

best article for improving the growth and beauty of the hair, keeping it free from scurf and dandruff, preventing it from be-

coming barsh, dry and gray—giving it a rich gloss and endowing it with flexibility—that Toilet Chemistry has ever evolved from the vegetable kingdom. d&wlw

of tickets already made, and the daily inreasing demand for them, that there will be
no occasion for postponing the second drawing in the Gift Concert in aid of the Public
Library of Kentucky, have instructed me, as
their agent and manager of the Gift Concert,
to say to the public and ticket-holders that
the drawing will positively take place on
september 28th prox., and will not be postroned. An active demand for tickets comes
irom every State and Territory of the United
states, and from the Canadas, giving assurance to the Trustees that no circumstance
can prevent a drawing at appointed time.

A sufficient clerical force is engaged to
keep up with the orders for tickets, and in
order that this office may be relieved of the
mmense presure incident to the business for
the week or two immediately preceding the
rawing, agents especially, and those desirous of procuring tickets, are requested to
send in their orders immediately, as sales
will have to be closed in time to make the
necessary preparations for the drawing. It
is the wish of the management to fill every
order for a ticket, as well as to sell all the
cleets, but those who apply first must first
se supplied; and if those who put off buying
intil sales are closed have their money returned instead of the tickets ordered, as in
the first Gift Concert in December last, whe i
thousands of dollars that came too late were
ent back, they will have none to blame but
themselves.
